CUBE

Two modern, illuminated lanterns are positioned on a pool deck at night. The lantern on the left is dark-colored with a glowing white interior, while the one on the right is dark-colored with a glowing gold interior. Both lanterns have a faceted top and a handle. The background shows a swimming pool and blurred lights.

TONIC

A modern architectural hallway with a stone wall, recessed lighting, and a view of an outdoor patio area. The hallway is illuminated by warm, recessed ceiling lights and wall-mounted sconces. The wall is made of light-colored stone with horizontal bands of darker stone. The floor is a light-colored, polished material. The hallway leads to an outdoor patio area with a large, curved, orange-colored chair and a view of a landscape with mountains in the distance.

LITESPHERE ADAPT

A large, mature tree stands as the centerpiece in a modern cafe courtyard. The tree is surrounded by a circular planter bed with mulch and small plants. Numerous warm-toned string lights are draped across the tree's branches, creating a cozy atmosphere. In the foreground, several small, round tables with black chairs are arranged for seating. The background features a building with large glass windows and a wooden wall, suggesting an indoor cafe space. The overall scene is well-lit and inviting.
